Please attach your technical offer to a signed copy of this rider and send with signed contracts. Please be sure to include the name, phone, and fax and email address of the technical director, or whomever Therr Maitz should contact to coordinate load-in/tech/rehearsal and other details.

These requirements are typical for Therr Maitz performance; however, they will make every effort to accommodate unusual circumstances. These requirements are subject to change depending on facility and situation of the performance.

Purchaser shall not allow audience to enter venue until technical set-up has been completed. Artist shall complete said setup one hour prior to time of performance. **ARTIST REQUIRES A MINIMUM THREE HOUR SOUNDCHECK AFTER COMPLETION OF LOAD-IN AND SETUP.**

If the start of the gig is delayed due to the fault of the organizers for more than ten minutes - each subsequent minute is subtracted from the gig time.

Please inform about the screen availability and ability to plug in video projection.

If there will be a VJ on the venue it is asked to request band materials for use in visual design, or venue materials should be showed to band management during the soundcheck.

It is necessary to provide detailed information of available video equipment, namely:

- if there are any screens in the club (specify size and the exact number)
- person responsible for broadcasting (name, email, telephone number)
- Optimal video formats for broadcasting on screens the commercials of our media partners.

During the soundcheck lighting designer should be present in order to discuss the show.

Two or more assistants should be at the site for loading in / out of the equipment before and after the soundcheck and the concert.

**FESTIVAL PRODUCERS ARE REQUIRED TO COMPLY WITH THIS POLICY UNLESS OTHERWISE AGREED IN WRITING WITH THE ARTIST'S REPRESENTATIVE.**
